Re: Technical Infraction

Decision No: GR-08
Date: 6 October 2023
Time: 19:00

At post-race inspection for Nashville “make-up” Race, the series scrutineers found the No. 57 car noncompliant after physical inspection.

The Chief Scrutineer issued Technical Infraction Acknowledgement #001, documenting their findings. The No. 57 was found to have non-homologated parts in the rear hub assembly.

The series Technical Manager presented the Stewards with a description of the noncompliant elements and their assembly.

Having reviewed the evidence and having considered that matter, the Stewards issue the following decision:

Car No. 57 is moved to the last classified finishing position for the Nashville “make-up” Race.

Car No. 57 must start Indianapolis Race 1 from Pit Lane.

The Competitor is fined \$5,000.
