Re: Technical Infraction

Decision No: GR-11
Date: 7 October 2023
Time: 16:15

At post-race inspection for Indianapolis Race 1, the series scrutineers found the No. 6 Godwin Motorsports car noncompliant after physical inspection.

The Chief Scrutineer issued Technical Infraction Acknowledgement #005, documenting their findings. The No. 6 was found to have failed the ride height specification.

The series Technical Manager presented the Stewards with a description of the noncompliant specification.

Having reviewed the evidence and having considered that matter, the Stewards issue the following decision:

Car No. 6 is moved to the last classified finishing position for Indianapolis Race 1.
